My dear Sir

With reference to the Sanction
 Don't. the cost of the gram boilers
 required by the CC for the I S Regiment from
 savings in the Military Budget. I think
 the men could buy their own - but from
 boiling shed has been provided. The above
 boilers are mutually - I don't think they
 will require replacing for the next few years
 or longer as they last very long time -

Re 30/2/99

order made MDH 2/10/99

The owner told me with reference to
the green borders etc. that he
did not mind supplying the sheds
but he was not going to interfere with
the original contract and therefore
in authorizing the purchase the
first instance the troops must
understand that the upkeep of the
same must be borne by them
This should be conveyed in the sanctioning
order please
